ADMISSION \$10 (SLIDING SCALE)

Representatives of some of the world's wisdom traditions will offer their perspectives on peace as well as practical suggestions for cultivating peace in daily life. Come and learn how to prepare fertile ground for world peace by creating individual peace.

What you do, how you behave in your own life *does* impact the world. Your personal behavior profoundly contributes to world behavior. Peace does indeed begin with you – and me. As Thich Naht Hanh reminds us, "peace is every step". This is a responsibility not to be taken lightly.

Come feast on a bounty of food for thought from inspiring speakers representing many faiths, including Islam, Catholicism, Buddhism, Baha'i, Episcopalian, Jewish and Quaker.

*Be a lamp, or a lifeboat, or a ladder.
Help someone's soul heal.
Walk out of your house like a shepherd. - Rumi*
